PROCEDURES FOR ORAL ARGUMENT BEFORE THE
UNITED STATES JUDICIAL PANEL ON MULTIDISTRICT LITIGATION

All oral argument is governed by the provisions of Rule 16.1 of the Rules of Procedure of the Judicial Panel on Multidistrict Litigation (effective April 2, 2001). Rule 16.1(g) allows a maximum of twenty minutes for oral argument in each matter. In most cases, however, less time is necessary for the expression of all views and the Panel reserves the prerogative of reducing the time requested by counsel. Accordingly, counsel should be careful not to overstate the time requested for oral argument.

The Panel insists that counsel limit all oral argument to the appropriate criteria. See generally In re “East of the Rockies” Concrete Pipe Antitrust Cases, 302 F. Supp. 244, 255-56 (J.P.M.L. 1969) (concurring opinion) (discussion concerning criteria for transfer).

Rule 16.1 is duplicated in its entirety hereafter for your convenience.

RULE 16.1: HEARING SESSIONS AND ORAL ARGUMENT

(a) Hearing sessions of the Panel for the presentation of oral argument and consideration of matters taken under submission without oral argument shall be held as ordered by the Panel. The Panel shall convene whenever and wherever desirable or necessary in the judgment of the Chairman. The Chairman shall determine which matters shall be considered at each hearing session and the Clerk of the Panel shall give notice to counsel for all parties involved in the litigation to be so considered of the time, place and subject matter of such hearing session.

(b) Each party filing a motion or a response to a motion or order of the Panel under Rules 7.2, 7.3, 7.4 or 7.6 of these Rules may file simultaneously therewith a separate statement limited to one page setting forth reasons why oral argument should, or need not, be heard. Such statements shall be captioned "Reasons Why Oral Argument Should [Need Not] Be Heard," and shall be filed and served in conformity with Rules 5.12 and 5.2 of these Rules.

(c) No transfer or remand determination regarding any action pending in the district court shall be made by the Panel when any party timely opposes such transfer or remand unless a hearing session has been held for the presentation of oral argument except that the Panel may dispense with oral argument if it determines that:

- (i) the dispositive issue(s) have been authoritatively decided; or
- (ii) the facts and legal arguments are adequately presented in the briefs and record, and the decisional process would not be significantly aided by oral argument.

Unless otherwise ordered by the Panel, all other matters before the Panel, such as a motion for reconsideration, shall be considered and determined upon the basis of the papers filed.
